Caribbean Capers: The Cuban Grand Prix Races of 1957, 1958 & 1960, by Joel Finn. The three Cuban Grand Prix races brought the excitement of the world's best sports cars to one of the world's most glamorous playgrounds. This is a compelling story, filled with unexpected twists and maneuverings. Author Joel Finn, who was one of the timing officials at the races in 1958, has gathered a riveting account from original correspondence and interviews with participants as well as rare records from the organizers. More than 500 images of memorabilia and historic photographs of the cars, drivers and events-- many never before published-- as well as meticulously compiled charts of the race entries and race results insure that this will remain the authoritative account of the events in Cuba during the Golden Age of sports car racing. 360pp. Hard-bound with dust jacket.
