Editorial Review

Review

"A very worthwhile reference for vascular surgeons, surgical residents, and medical students, because of its authoritative authorship, manageable size, and the study questions that accompany each chapter."-Journal of Vascular Surgery

"Written by recognized authorities in the field, this edition has been fully updated and clearly fulfills the original goal of providing a thorough review of vascular surgery. It is a highly recommended tool for candidates preparing for certification or recertification in vascular surgery, but is also an excellent reference for vascular practitioners."- Heron Rodriguez, M.D. (Northwestern University Feinberg School of Medicine)

85/100 Doody Rating!

Users Review

From reader reviews:

Michael Watkins:

Book is written, printed, or descriptive for everything. You can understand everything you want by a publication. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading proficiency was fluently.
