Editorial Review

Review

"One of the newer textbooks in the intermediate space, and a little more lively perhaps than the integrated approach." —*Japanesestudent.info* blog

"Last year, I discovered the Beginning and Intermediate Japanese series by Kluemper. I changed textbooks immediately after experimenting with it for a week." —**Kyler Jackson**, *Japanese Teacher*, *Thomas Jefferson High School*

"It provides web-based and supplementary audio resources in addition to the textbook, which progressively give students more exposure to language a little beyond their expected level of attainment, and which immerse students in culturally authentic contexts." —**Geoff Biesinger**, *AATJ Journal*
