CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points)

From CRC Press

Celebrating the 100th anniversary of the **CRC Handbook of Chemistry and Physics**, this 94th edition is an update of a classic reference, mirroring the growth and direction of science for a century. The **Handbook** continues to be the most accessed and respected scientific reference in the world. An authoritative resource consisting of tables of data, its usefulness spans every discipline. New tables have been added and others updated, including the mathematical tables in Appendix A. Available in traditional print format and as an eBook, this reference puts physical formulas and mathematical tables used in labs every day within easy reach.

Editorial Review

Amazon.com Review

From the Preface by W. M. Haynes, March 2013

The 94th edition of the Handbook includes new tables, major updates, and expansions. A new series highlighting the achievements of some of the leading figures in chemistry and physics has also been initiated. This edition and succeeding editions will provide biographical information, a list of major achievements, and notable quotations attributed to each of the renowned chemists and physicists. Each edition will feature two chemists and two physicists. The following new tables have been added to this edition:

Section 7: Biochemistry

- Properties of fatty acid methyl and ethyl esters related to biofuels

Section 8: Analytical chemistry

- Gas chromatographic retention indices
- Detectors for liquid chromatography
- Organic analytical reagents for the determination of inorganic ions

Section 12: Properties of solids

- Properties of selected materials at cryogenic temperatures

Quotes About Previous Editions

“I fell in love with it straightaway...its tables were so full of information that I thought of it as containing the whole universe between its covers.” *Oliver Sacks M.D., Physician, Author, Neurologist*

“People who have interviewed me have commented on the extensive knowledge that I have about the properties of substances...I attribute this knowledge in part to the fact that I possessed the Rubber Handbook...” *Linus Pauling, Chemist, Author*

“I’m proud to be a part of the book’s century-long history. The book’s usefulness has only increased over time, providing scientists with the data they need to explore ideas and to advance in their chosen fields.” *John Lavender, CRC Press Senior Vice President*

Review

"This newest edition includes most recent CODATA fundamental physical constants published in 2010; IUPAC atomic weight; and the records of mean global temperature and atmospheric carbon dioxide concentration through the end of 2012. Publisher of the first handbook was a family-owned company. In 1987, it was acquired by Times Mirror Co. Subsequent owners. This edition of Handbook of Chemistry and Physics serves the scientific community as a prime source of reliable information."

?Wonderpedia, March 10, 2014

Users Review

From reader reviews:

Kevin Primeaux:

Book is to be different per grade. Book for children till adult are different content. We all know that that book is very important for people. The book CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points) has been making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The reserve CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points) is not only giving you much more new information but also to become your friend when you sense bored. You can spend your current spend time to read your guide. Try to make relationship while using book CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points). You never feel lose out for everything in case you read some books.

Helen Henson:

Now a day individuals who Living in the era where everything reachable by talk with the internet and the resources inside it can be true or not involve people to be aware of each details they get. How a lot more to be smart in having any information nowadays? Of course the solution is reading a book. Reading through a book can help folks out of this uncertainty Information specially this CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points) book because this book offers you rich facts and knowledge. Of course the data in this book hundred pct guarantees there is no doubt in it everbody knows.

Clement Williams:

Do you have something that that suits you such as book? The book lovers usually prefer to decide on book like comic, small story and the biggest the first is novel. Now, why not seeking CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points) that give your fun preference will be satisfied through reading this book. Reading habit all over the world can be said as the method for people to know world a great deal better then how they react toward the world. It can't be stated constantly that reading addiction only for the geeky individual but for all of you who wants to end up being success person. So , for all you who want to start reading through as your good habit, you could pick CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points) become your personal starter.

Antonio Ritchie:

Do you really one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Make an effort to pick one book that you never know the inside because don't determine book by its handle may doesn't work is difficult job because you are frightened that the inside maybe not because fantastic as in the outside appearance likes. Maybe you answer can be CRC Handbook of Chemistry and Physics, 94th Edition (100 Key Points) why because the wonderful cover that make you consider concerning the content will not disappoint you. The inside or content is usually fantastic as the outside or perhaps cover. Your reading 6th

sense will directly assist you to pick up this book.
