Editorial Review

Review

'Rapley opens the door to beginning researchers to how everyday actions might be examined empirically...I hope that this book will encourage many more new qualitative researchers to pursue this kind of work, and be both 'deeply fascinated' and have 'fun' as Rapley clearly does in explaining it to others' - *Qualitative Research*

Users Review

From reader reviews:

Sandy Holiday:

Have you spare time for the day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity regarding spend your time.
