Dying to Know You By Aidan Chambers

With *Dying to Know You*, award-winning author Aidan Chambers has created an indelible portrait of a young man discovering his own voice in the world, and has constructed a story that is as much about the artistic mind as it is the heart.

In this contemporary love story, a teenage boy named Karl enlists a famous writer to help him impress his girlfriend, Fiorella. She has asked him to write her a letter in which he reveals his true self. But Karl isn't convinced he's good enough with words, so he tracks down Fiorella's favorite author and begs him to take up the task. The writer reluctantly assents, on the condition that Karl agrees to a series of interviews, so that the letter will be based on an authentic portrait of Karl. The letter, though effective, has unexpected consequences for Karl, Fiorella, and the writer.

Editorial Review

Review

"Deliberate in pace and carefully insightful in its investigation of character, Chamber's latest is a work of art that repays multiple readings" -- Michael Cart Booklist "Packed to the brim with challenging ideas, the latest from Chambers is simultaneously an acutely observed and surprising love story. An organic yet intricately crafted story of self-discovery ... This is a generous gift" Publishers Weekly "This is a teasingly provocative and touching cross-generational story, written with a rare candour about love, sex, thoughts of suicide and growing old" -- Julia Eccleshare Guardian "Chambers is so skilled, so calmly truthful in his writing. What emerges is not just a moving, unexpected story of the complexity of teenagers, but also a story of later life, of ageing and loss, and what experience really means" -- Patrick Ness Guardian "It takes a writer with the superb skill and sensitivity of Chambers to adapt the Cyrano de Bergerac story and turn it into a modern tale of grief, growth and acceptance ... Great tenderness, authentic dialogue and elegantly crafted plotting. A book to be read and re-read" -- Sally Morris Daily Mail
