**Anthony Wilson:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country.
