Hear Me Now (Count On Me series Book 2) By Melyssa Winchester

There are people that believe because you may not appear the way they do that you're somehow weaker or less worthy than they are.

I'm living proof they're wrong.

From the day I was born I've always been seen as one thing—deaf.

What people don't realize, is just because I can't hear the things they say, doesn't mean I don't feel the pain that comes from their words and actions.

I'm more than just the girl that can't hear and I've never been more determined to prove it now that I've been sent here.

Wexfield High School.

I know everything that happens here and I know even more about the guy who makes it all happen.

Dillon Murphy is trouble with a capital T. He goes out of his way to hurt those he perceives to be weaker than him and does it with a smile. What he doesn't realize is that his tricks, they won't work on me because I know his secret.

As I'm finding out, there's a lot more to Dillon than he wants the world to see and before my time here is up, I'm determined to make him see it, even if it costs me my heart in the process.
