Konfessions to Khloe - Konfided Khronikles By Max Well

This book is the very first dosage of sensation in society - the path that sensation triggered! Good morning, good afternoon, good evening, Good Night or whatever time of day it is for you. I welcome you all to My world which is a world full of Twisted Depths as well as obsession! Each and every chapter is based upon true events of when I grew up on the dangerous, corrupt and anything but civil streets of South London. I underwent and witnessed various gritty encounters and ordeals. The loss of my virginity only caused my mindset and lifestyle to become even more raw and cataclysmic. My outlook on life as well as society took a downwards slope as far as positivity is concerned.
