Steampunk with an intergalactic twist! Enter a fantastical world filled with alien spacecraft and Victorian sensibilities, formal balls and travel to the stars.

What if aliens had landed on the Buckingham Palace lawns in 1850 and presented Queen Victoria with a world-changing offer? What if the British Empire, ruled by an unchanging queen, spread out to the stars for centuries? Explore this alternate world from USA Today bestselling author Anthea Sharp in five tales filled with ball gowns and nano-tech, steam power and aliens, and the timeless nature of the human heart.

Stars & Steam is a collection of five short stories (approx 120 pages) set in the Victoria Eternal universe.
