### Editorial Review

From the Author

The CIA: A Forgotten History is out of print but it has been replaced and totally superseded by Killing Hope: US Military and CIA Interventions Since World War II, ISBN 1-56751-052-3

About the Author

William Blum is one of the United States' leading non-mainstream experts on American foreign policy. He left the State Department in 1967, abandoning his aspiration of becoming a Foreign Service Officer because of his opposition to what the US was doing in Vietnam. He then became a founder and editor of the Washington Free Press, the first 'alternative' newspaper in the capital. Blum has been a freelance journalist in the US, Europe and South America. He currently sends out a free monthly newsletter, The Anti-Empire Report. To be put on Blum's mailing list, send him an email. Previous issues of the report can be read on his website. email [bblum6@aol.com](mailto:bblum6@aol.com) website [williamblum.org](http://williamblum.org) Other books by William Blum Killing Hope: US Military and CIA Interventions since World War II Rogue State: A Guide to the World's Only Superpower Freeing the World to Death: Essays on the American Empire West-Bloc Dissident: A Cold War Memoir

### Users Review

From reader reviews:

**Donald Taylor:**

As people who live in the actual modest era should be up-date about what going on or details even knowledge to make all of them keep up with the era and that is always change and progress. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know what one you should start with. This The CIA: Forgotten History is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

**Cedric Barnett:**

Reading a reserve can be one of a lot of activity that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new info. When you read a e-book you will get new information due to the fact book is one of various ways to share the information or even their idea. Second, studying a book will make a person more imaginative. When you examining a book especially fiction book the author will bring you to imagine the story how the characters do it anything. Third, you may share your knowledge to other people. When you read this The CIA: Forgotten History, you could tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the others, make them reading a publication.

**Joyce Williams:**

Reading a book to be new life style in this calendar year; every people loves to learn a book. When you study

a book you can get a lots of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, along with soon. The The CIA: Forgotten History will give you a new experience in examining a book.

**Theodore Rivas:**

You may spend your free time to read this book this e-book. This The CIA: Forgotten History is simple to deliver you can read it in the playground, in the beach, train and also soon.
