The Long Distance Lover Book: A Man's Guide To Making A Long Distance Relationship Work By Livius Besski

Tired of the usual generic advice written about long distance relationships, Livius Besski has written one of the most complete and practical guides on long distance relationships. His many years of experience with long distance relationships and intensive study of love and attraction have allowed him to talk about some of the most important elements of a successful and enjoyable LDR.

In this book he covers the four most important pillars of a great long distance relationship. He talks about how the attitude of each partner about the relationship makes the difference between it being a joy or a struggle.

He covers the best ways to communicate with your partner, how often, in what ways and how to make those talks exciting and interesting. So that you never run out of things to say or get tired of talking to each other.

Then he covers the most vital part of an LDR, which is learning how to keep love and attraction alive. He shares three key elements that make love work, no matter if you're close distance or long distance.

And lastly, but very importantly, he covers some of the biggest problems that arise in a long distance relationship, from jealousy, arguments, boredom, poor sexuality, overwhelming missing of each other, trust issues and others, giving you smart and practical solutions for each problem.

This book is the collection of the best articles he wrote on his blog for the past three years. And is meant to be the one and only guide that men would need to make their long distance relationships work.

Although written for men, this book is a great read for women too. As many of the ideas are universal and apply to both men and women.

Enjoy the book and make sure to leave a review, to inspire and help others decide whether to read it.
