### **The Pictorial Key To The Tarot (Illustrated)** By Arthur Edward Waite

Although there were many Tarot decks prior to the Rider-Waite-Smith deck, and many after, none has gripped the popular imagination as much as this set. Waite covers the significance and deeper implications of each card, and gives practical instructions as to how to conduct a reading. The symbolism of the Rider-Waite-Smith deck is based on profound occult studies by Waite, and his exposition in this book of its use and meaning is unexcelled. This is a must-read for anyone who wants to understand the Tarot.

### Editorial Review

About the Author

#### About the Author:

"Arthur Edward Waite (October 2, 1857 - May 19, 1942) was a scholarly mystic who wrote extensively on occult and esoteric matters, and was the co-creator of the Rider-Waite Tarot deck. As his biographer, R.A. Gilbert described him, "Waite's name has survived because he was the first to attempt a systematic study of the history of western occultism - viewed as a spiritual tradition rather than as aspects of proto-science or as the pathology of religion." Born in the United States, and raised in England, A.E. Waite joined the Hermetic Order of the Golden Dawn in 1891, became a Freemason in 1901, and entered the Societas Rosicruciana in Anglia in 1902. The Golden Dawn was torn by further internal feuding until Waite's departure in 1914; a year later he formed the Fellowship of the Rosy Cross, not to be confused with the Societas Rosicruciana. By that time there existed some half-dozen offshoots from the original Golden Dawn, and as a whole it never recovered." (*Quote from wikipedia.org*)

### Users Review

#### From reader reviews:

##### Tameika Ahmed:

What do you think about book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great as well as important the book The Pictorial Key To The Tarot (Illustrated). All type of book are you able to see on many methods.
