### Ano Ano: The Classic Trilogy: The Seed, The Mana Keepers, The Fire Lilly

By Kristen Zambucka

Ano 'Ano: The Seed has become a classic in Hawai'i and around the world. It tells of a group of seekers who are offered a "code of life": a way in which the suffering of mankind can be overcome. Its two sequels, The Mana Keepers and The Fire Lilly are included in this volume. These collective works remind men and women of their oneness with nature and that they are "the Keepers of the Sacred Earth." Conflicting fires within us all are revealed, shadow-selves and ancient patterns are examined and understood, finally leading to the dawn of inner peace.
