Arguing with God: A Jewish Tradition By Anson H. Laytner

As an old proverb puts it, "Two Jews, three opinions." In the long, rich, tumultuous history of the Jewish people, this characteristic contentiousness has often been extended even unto Heaven. *Arguing with God* is a highly original and utterly absorbing study that skates along the edge of this theological thin ice?at times verging dangerously close to blasphemy?yet also a source of some of the most poignant and deeply soulful expressions of human anguish and yearning.

The name Israel literally denotes one who "wrestles with God." And, from Jacob's battle with the angel to Elie Wiesel's haunting questions about the Holocaust that hang in the air like still smoke over our own age, Rabbi Laytner admirably details Judaism's rich and pervasive tradition of calling God to task over human suffering and experienced injustice.

It is a tradition that originated in the biblical period itself. Abraham, Moses, Elijah, and others all petitioned for divine intervention in their lives, or appealed forcefully to God to alter His proposed decree. Other biblical arguments focused on personal or communal suffering and anger: Jeremiah, Job, and certain Psalms and Lamentations. Rabbi Laytner delves beneath the surface of these "blasphemies" and reveals how they implicitly helped to refute the claims of opponent religions and advance Jewish doctrines and teachings.

Editorial Review

Review

Anson Laytner has explored the anguish of the believer with moving eloquence and passion. (Elie Wiesel)

In this age after the Holocaust, Anson Laytner's book speaks with extraordinary force. This survey of the tradition of 'arguing with God,' one of the most distinctive and inspiring elements in Jewish faith, covers a wealth of neglected or undiscussed sources. He shows clearly that this unique perspective runs through the seams of Jewish religion and history from the Bible down to today. Written with scholarship, sensitivity, and even humor, this book will richly reward all its readers. (Rabbi Irving Greenberg, president of CLAL, the National Jewish Center for Learning and Leadership)

This is a book that needed to be written. Anson Laytner has brought together familiar and unfamiliar material and analyzed it historically and theologically. The sources that Laytner has assembled have a power and a relevance that leap out from the page. (*Modern Judaism*)

About the Author

Anson H. Laytner is Director of the Jewish Federation Community Relations Council of Greater Seattle. He is the editor of Points East, the periodical of the Sino-Judaic Institute, and has written *The Wheels of Observance: A Growth Guide to the Jewish Holidays*. His articles have appeared in Conservative Judaism and the Middle East Review. Rabbi Laytner lives in Seattle, Washington, with his wife and three daughters.

Users Review

From reader reviews:

William Watts:

As people who live in the modest era should be upgrade about what going on or details even knowledge to make these people keep up with the era that is always change and make progress. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to an individual is you don't know what type you should start with. This Arguing with God: A Jewish Tradition is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Linda Christopher:

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story as well as their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Arguing with God: A Jewish Tradition.

Raymond Floyd:

In this era which is the greater person or who has ability to do something more are more precious than other. Do you want to become one of it? It is just simple way to have that. What you have to do is just spending your time very little but quite enough to possess a look at some books. One of the books in the top checklist in your reading list is Arguing with God: A Jewish Tradition. This book and that is qualified as The Hungry Inclines can get you closer in getting precious person. By looking upwards and review this book you can get many advantages.

Marge Lee:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But just about any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but novel and Arguing with God: A Jewish Tradition or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel need to read more and more. Science guide was created for teacher or perhaps students especially. Those guides are helping them to include their knowledge. In different case, beside science e-book, any other book likes Arguing with God: A Jewish Tradition to make your spare time far more colorful. Many types of book like this one.
