Choose Life: 365 Readings for Radical Disciples By Simon Guillebaud

This unique set of daily readings from bestselling author Simon Guillebaud encourages the reader to live the Christian life without compromise and without restraint; to live on full throttle and with utter abandonment to Christ. Simon Guillebaud has lived in Burundi since his early twenties. He takes unimaginable risks so much so that he didn't expect to live to the age of 30. He sees miraculous results time and again as he works tirelessly for the salvation, peace and prosperity of the country he loves and daily gives his life for. Burundi is a place where choices are vivid, stark and sometimes deadly. It is a front line state in a fragile democracy seeking to overcome a bloody past. The spiritual battle between the forces of light and the repressive power of the local witchdoctors is very real. It is in this context that Simon Guillebaud has learned the lessons he shares in this volume. Succinct and engaging, these daily reading cover a separate topic every day. The range is striking and profound as Simon shares the things he has learned through the council of the Holy Spirit. Those who engage with this unique devotional will be challenged and ultimately changed.
