### Pretend You're Mine By Lucy Score

I only wanted to protect you...

Luke Garrison is a hometown hero, a member of the National Guard ready to deploy again. Strong, sweet, and sexy, he doesn't have a girlfriend and doesn't want one. When the wildly beautiful Harper stumbles into his life, though, he realizes that she's the perfect decoy. A fake girlfriend to keep his family off his back until he's out on another mission.

So what if a single bite of her lip sends his mind to wicked places? He can control himself. Can't he?

Harper was on her way to starting a new life... again. But something about Luke makes her want to settle down in this small town and make Luke's house a home. When his arms wrap around her like steel, she finally knows what it's like to feel safe. Protected.

One night of sleeping in the same bed turns into something much, much more... and soon Luke can't keep his mind off Harper's wide gray eyes, or his hands off of her luscious curves. He never thought he'd feel this way about a woman again. But he knows that he can't tell her the truth about his dark past, and she can't reveal to him what she's running from.

Anyway, this isn't a real relationship. It's only for a month. Only pretend. Until it isn't...

### Editorial Review

### Users Review

#### From reader reviews:

#### **Robert Arnett:**

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is inside the former life are difficult to be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you obtain the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Pretend You're Mine as your daily resource information.

#### **Wilda Alexander:**

Reading a book can be one of a lot of action that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people like it. First reading a publication will give you a lot of new information. When you read a reserve you will get new information simply because book is one of numerous ways to share the information as well as their idea. Second, reading a book will make a person more imaginative. When you looking at a book especially hype book the author will bring you to imagine the story how the personas do it anything. Third, it is possible to share your knowledge to others. When you read this Pretend You're Mine, you could tells your family, friends along with soon about yours publication. Your knowledge can inspire different ones, make them reading a e-book.

#### **Timothy Lumpkin:**

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write with their book. One of them is this Pretend You're Mine.

#### **John Cotton:**

A lot of e-book has printed but it takes a different approach. You can get it by online on social media. You can choose the most beneficial book for you, science, comedy, novel, or whatever simply by searching from it. It is called of book Pretend You're Mine. You can contribute your knowledge by it. Without making the

printed book, it could add your knowledge and make a person happier to read. It is most important that, you must aware about guide. It can bring you from one spot to other place.
