Editorial Review

Review

"This book is fantastic."

- Monica Lowy, SLP (NY)

(I am reading your R book right now. Your book is right on the money, for sure!"

- Debbie Galloway, SLP

"Congratulations on your *Successful R Therapy* book. It's so meaty and practical!"

- Donna Ridley, SLP (SC)

"It's very easy to read and to understand. Thanks so much!"

Debbie Klinger, SLP --SLPs across the USA

Just wanted to rave about your fabulous "R" Therapy book! Your work made such a positive difference in my life and the lives of my many students. Thanks for all your hard work and sharing your knowledge! -- Michele Alegre, speech-language pathologist

Your *Successful R Therapy* book arrived in the mail and I sat down and literally devoured it in one sitting - stayed up until two in the morning reading it! You taught me things about "R" that I never knew, thought about or imagined. Armed with that book you wrote, I now feel competent to tackle that difficult sound that so many SLPs dread to conquer! --C. Lynn Burrow, speech-language pathologist

About the Author

Pam Marshalla has been a speech-language pathologist since 1976. She completed a Master's Thesis in phonology at the University of Illinois under the direction of Elaine Pagel Paden and Barbara Williams Hodson. She has worked with clients of all ages and ability levels in schools, hospitals, university clinics, parent-infant programs, residential facilities, and private practices. Pam is the author of eight highly practical books on aspects of speech-language therapy. She has taught hundreds of continuing education courses to

tens of thousands of speech-language pathologists. Her presentations have included numerous invited local, state, regional, and national conventions in the United States and Canada. Pam is a clinician's clinician whose practical books and seminars successfully integrate research data and clinical experiences into practice that is evidence-based. Pam has three grown daughters and lives in Everett, Washington.

Users Review

From reader reviews:

Helga Lever:

Now a day folks who Living in the era everywhere everything reachable by match the internet and the resources in it can be true or not need people to be aware of each information they get. How a lot more to be smart in obtaining any information nowadays? Of course the solution is reading a book. Examining a book can help people out of this uncertainty Information particularly this Successful R Therapy: Fixing the Hardest Sound in the World book because book offers you rich info and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it you probably know this.

Jerald Elliott:

Information is provisions for folks to get better life, information presently can get by anyone at everywhere. The information can be a understanding or any news even restricted. What people must be consider while those information which is from the former life are challenging be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Successful R Therapy: Fixing the Hardest Sound in the World as the daily resource information.

Luis Herrick:

A lot of people always spent their very own free time to vacation or even go to the outside with them family members or their friend. Are you aware? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. If you need to try to find a new activity that is look different you can read any book. It is really fun for you personally. If you enjoy the book that you read you can spent all day every day to reading a book. The book Successful R Therapy: Fixing the Hardest Sound in the World it is extremely good to read. There are a lot of folks that recommended this book. We were holding enjoying reading this book. If you did not have enough space to develop this book you can buy the particular e-book. You can m0ore very easily to read this book from the smart phone. The price is not too expensive but this book possesses high quality.

Monika Cunniff:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but

nothing reading really. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Successful R Therapy: Fixing the Hardest Sound in the World can make you really feel more interested to read.
