The Astonishing Power of Emotions: Let Your Feelings Be Your Guide (Law of Attraction Book 4) By Esther Hicks, Jerry Hicks

This leading-edge book by **Esther** and **Jerry Hicks**, who present the teachings of the Non-Physical entity **Abraham**, will help you understand the emotions that you've been experiencing all of your life. Instead of the out-of-control, knee-jerk reactions that most people have to their ever-changing life experience, this work will put those responses into a broader context. You'll come to understand what emotions are, what each of them means, and how to effectively utilize your new awareness of them.

As you read, you'll come to appreciate, and make peace with, where you are right now, even though there is so much more that you may desire. Every thought you absorb will bring you to a greater understanding of your own personal value and will show you how to open your own doors to whatever you may wish to be, do, or have. And as you turn the last page of this book, you will very likely find yourself thinking, *I have always known this, but now, I know this!*

Included is a link to download an audio excerpt from a live Art of Allowing Workshop with Abraham!

About the Author

Excited about the clarity and practicality of the translated information from the Beings who called themselves Abraham, Jerry and Esther Hicks began disclosing their amazing Abraham experience to a handful of close business associates in 1986. Recognizing the practical results being received by themselves and by those people who were asking meaningful questions regarding the application of the principles of the Law of Attraction to finances, bodily conditions, and relationships - and then successfully applying Abraham's answers to their own situations - Jerry and Esther made a deliberate decision to allow Abraham's teachings to become available to an ever-widening circle of seekers of answers to how to live a better life. Since 1989, using their San Antonio, Texas, conference center as their base, Esther and Jerry have traveled to approximately 50 cities a year (throughout Australia, Canada, England, Ireland, and the United States), presenting a series of interactive Law of Attraction Workshops to those leaders who have gathered to participate in this progressive stream of thought. And although worldwide attention has been given to this philosophy of Well-Being by Leading Edge thinkers and teachers who have, in turn, incorporated many of Abraham's concepts into their best-selling books, scripts, lectures, films, and so forth, the primary spread of this material has been from person to person, as individuals begin to discover the value of this form of spiritual practicality in their personal life experiences. Abraham - a group of obviously evolved Non-Physical teachers - speak their Broader Perspective through Esther. And as they speak to our level of comprehension through a series of loving, allowing, brilliant, yet comprehensively simple essays in print and in sound, they guide us to a clear Connection with our loving, guiding Inner Being and to uplifting self-empowerment from our Total Self.
