The Pickle Queen (The MacBrides series Book 2) By Deborah Smith

Pickles are mentioned in the Bible.

Cleopatra ate them as a beauty regimen. Shakespeare put them in his plays. Mason designed jars for bottling them. So did Ball. Did Mason and Ball fight over the King of the Pickle Jars title? I don't know. I did know this much: I used pickles to keep fear, pride, and my love of Jay Wakefield behind a door I would not risk opening again. Even now.

Wakefields take what they want. MacBrides never surrender. For nearly a hundred years, a battle of wills between these two deeply-rooted Appalachian families has ended in defeat and heartache--most often, for MacBrides. Now the MacBride name is barely more than a legend, and it's up to Gabby MacBride to deal with the pain of her childhood memories and also the challenge of a MacBride legacy she's only beginning to understand.

That will mean coming to terms with her bittersweet love for Jay Wakefield, the lonely rich boy who became her soul mate when they were kids, before the dark demands of his own legacy forced him to betray her.

Users Review

From reader reviews:

Jared Smith:

Book is to be different for every single grade. Book for children until eventually adult are different content. As we know that book is very important for all of us. The book *The Pickle Queen (The MacBrides series Book 2)* was making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The publication *The Pickle Queen (The MacBrides series Book 2)* is not only giving you more new information but also to be your friend when you truly feel bored. You can spend your own spend time to read your e-book. Try to make relationship using the book *The Pickle Queen (The MacBrides series Book 2)*. You never truly feel lose out for everything in the event you read some books.

Diane Gonzales:

Reading can called mind hangout, why? Because if you are reading a book mainly book entitled *The Pickle Queen (The MacBrides series Book 2)* your mind will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely will become your mind friends. Imaging each and every word written in a reserve then become one form conclusion and explanation in which maybe you never get ahead of. The *The Pickle Queen (The MacBrides series Book 2)* giving you one more experience more than blown away your mind but also giving you useful information for your better life in this particular era. So now let us show you the relaxing pattern at this point is your body and mind will probably be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

John Bradley:

Your reading 6th sense will not betray anyone, why because this *The Pickle Queen (The MacBrides series Book 2)* publication written by well-known writer whose to say well how to make book that may be understand by anyone who else read the book. Written with good manner for you, leaking every ideas and writing skill only for eliminate your hunger then you still doubt *The Pickle Queen (The MacBrides series Book 2)* as good book but not only by the cover but also with the content. This is one book that can break don't judge book by its protect, so do you still needing one more sixth sense to pick that!?! Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

James Shockley:

As we know that book is important thing to add our expertise for everything. By a reserve we can know everything we want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year was exactly added. This book The Pickle Queen (The MacBrides series Book 2) was filled with regards to science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading a book. If you know how big benefit of a book, you can truly feel enjoy to read a e-book. In the modern era like right now, many ways to get book that you wanted.
