Title IX: A Brief History with Documents By Susan Ware

Many know Title IX as groundbreaking legislation that protects people from sex-based discrimination in education programs and activities that receive federal financial assistance. Yet, many do not know the history of women's sports before Title IX, the history of the amendment, and the struggle for its implementation. These topics and more are discussed in Ware's well-researched and reader-friendly Introduction, followed by 26 provocative, pertinent documents.

The carefully selected writings, organized in chronological order, balance the views of policymakers, legislators, and commentators with the voices of individuals whose lives were shaped by the law. Ware purposely presents conflicting points of view to encourage analytical thinking and lively classroom discussion about gender equity, both in sports and in American society as a whole.

Editorial Review

Review

"I used this text for years when Bedford published it. Students love the combination of primary sources with a scholarly essay to given them context. The documents are well selected, easy to read, and engaging. *Title IX* would work well in a course on gender of twentieth century US. Plus, it's affordable!" --Wendy Lucas, University of Central Arkansas

"I have used *Title IX* in five different survey courses. The students find the book accessible. Highly recommended." --Justin Coffey, Quincy University

About the Author

SUSAN WARE specializes in twentieth-century U.S. history and the history of American women. In addition to serving as editor of the biographical dictionary *Notable American Women: Completing the Twentieth Century* (2004), she is the author and editor of numerous books, including *It's One O'Clock and Here Is Mary Margaret McBride: A Radio Biography* (2005); *Still Missing: Amelia Earhart and the Search for Modern Feminism* (1993); and *Partner and I: Molly Dewson, Feminism, and New Deal Politics* (1987). Ware was the chair of the Scholars Advisory Committee for and wrote the introduction to *American Women: A Library of Congress Guide for the Study of Women's History and Culture in the United States* (2001).

Users Review

From reader reviews:

Erin Weiss:

What do you with regards to book? It is not important along with you? Or just adding material when you want something to explain what your own problem? How about your spare time? Or are you busy man?
