Catholics' hunger for the faith continues to grow. Pope Benedict XVI gives the Church the "food" that it seeks in the 598 questions and answers in the Compendium of the Catechism of the Catholic Church. This 200-page volume offers a quick synopsis of the essential contents of the faith as promulgated in the Catechism of the Catholic Church. Like the 1992 Catechism, the Compendium has a four-part structure, and includes a section on common prayers and Catholic doctrinal formulas. Because of the question-and-answer format, catechetical leaders—parents, pastors, teachers, principals, and catechists—have a unique opportunity to dialogue with the faithful, and reinvigorate the Church's ongoing mission of evangelization and catechesis. Individuals can come "to know the unfathomable riches of the salvific mystery of Jesus Christ" by reading, using, and memorizing parts of the Compendium of the Catechism. An essential tool for youth and young adults, the Compendium is the perfect companion to a youth or young adult's Bible, spiritual reading, or textbook. Catechetical leaders in high schools, colleges, and parishes will appreciate its versatility—as a reference book, discussion starter, or core resource for RCIA programs. Fourteen images taken from masterpieces of Christian art set a tone for each part or section. "The sacred images, with their beauty, are also a proclamation of the Gospel and express the splendor of the Catholic truth," explained Pope Benedict XVI. The Compendium of the Catechism was prepared by a commission presided by the then Cardinal Joseph Ratzinger. Following the request for greater appreciation of the Catechism, and in order to meet a widespread need that emerged during the 2002 International Catechetical Congress, in 2003 the Holy Father established a special commission, presided by the prefect of the Congregation for the Doctrine of the Faith, that he charged with preparing a Compendium of the Catechism of the Catholic Church, containing a more concise and dialogic version of the same contents of Catholic faith and morals.

#### Review

Here's a perspective from a teenager: The Catechism of the Catholic Church is a HUGE book and is therefore harder for me to approach and read. Yes, when I have a question about the faith I try and consult it, but sometimes topics are hard to find. The language used is very beautiful, but also very hard to understand. Now take this Compendium: The set up involving the question - answer format is very user friendly. It covers all the basics and important information. The language used is closer to the vernacular and therefore much easier for the every day person to read and understand. There are pictures, quotes, and prayer references. I was a bit wary when I bought it, but for the first time I have voluntarily approached the catechism just for the sake of reading it. I have been able to clearly understand things presented. Now, I understand that it doesn't replace the actual Catechism, but here's another plus: There are side notes that link the text to paragraphs in the Catechism. So when you feel ready to move on to further study you can do so. Overall it is an amazing resource for Catholics and for people interested in the faith but who are a bit wary of picking up a ten pound book.

*Crux of the News* : "It will be an essential tool for youths and young adults, and the perfect companion to a youth or young adult's Bible, spiritual reading, or textbook. Catechetical leaders in high schools, colleges, and parishes will appreciate its versatility as a reference book, discussion starter, or core resource for RCIA programs." --Anna Sproull
