### Doomed By Chuck Palahniuk

**Madison Spencer, the liveliest and snarkiest dead girl in the universe, continues the afterlife adventure begun in Chuck Palahniuk's bestseller *Damned*. Just as that novel brought us a brilliant Hell that only he could imagine, *Doomed* is a dark and twisted apocalyptic vision from this provocative storyteller.**

The bestselling *Damned* chronicled Madison's journey across the unspeakable (and *really gross*) landscape of the afterlife to confront the Devil himself. But her story isn't over yet. In a series of electronic dispatches from the Great Beyond, *Doomed* describes the ultimate showdown between Good and Evil.

After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory—or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she's invisible to everyone who's still alive. Not only do people look right through her, they *walk* right through her as well. The upside is that, no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents' luxurious apartment, where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather, Papadaddy. As she revisits the painful truth of what transpired over those months (including a disturbing and finally fatal meeting in a rest stop's fetid men's room, in which . . . well, never mind), her saga of eternal damnation takes on a new and sinister meaning. Satan has had Madison in his sights from the very beginning: through her and her narcissistic celebrity parents, he plans to engineer an era of eternal damnation. For *everyone*.

Once again, our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime. Dante Alighieri, watch your back; Chuck Palahniuk is gaining on you.

## Editorial Review

From [Booklist](#)

Damned (2011) introduced us to 13-year-old Madison Spencer, newly arrived in Hell after her death; as she tried to figure out what exactly happened to her, she took us on an exciting and often very funny tour of Hell. Now, in the sequel, Madison is back on Earth, stranded there on Halloween, facing the prospect of spending an entire year as (shudder) a ghost among the living. Although not quite as entertaining as Damned—primarily because it lacks the first book's hellish travelogue—the novel nicely continues Madison's story, filling in a lot of the blanks in her life (we find out, for example, the real reason why she's been damned) and exposing an ancient satanic plot that—believe it or not—has poor little Madison at its center. As with the first book, this one lives or dies on the appeal of its teenage narrator. On the face of it, Spencer isn't the most likable of girls: she's self-centered, in-your-face, and almost too aggressively clever for her own good—but so was Holden Caulfield. She's a compelling character, and she drives a novel that will resonate from the get-go with Palahniuk's many fans. HIGH-DEMAND BACKSTORY: Palahniuk's 12 novels have sold more than five million copies in the U.S. His latest will profit from both traditional print publicity and an extensive social-media campaign. --David Pitt

Review

### **Praise for *DOOMED*:**

"If you only read one book this year about a dead teenager posting on message boards about playing supernaturalist and tempting Satan's wrath, let it be this one." --*Kirkus Reviews*

"The novel nicely continues Madison's story, filling in a lot of the blanks in her life (we find out, for example, the real reason why she's been damned) and exposing an ancient satanic plot that - believe it or not - has poor little Madison at its center . . . She's a compelling character, and she drives a novel that will resonate from the get-go with Palahniuk's many fans." --*Booklist*

### **Praise for *Damned*:**

"A far sunnier work than either author or location would suggest. . . . His more mordant satire is reserved for the living, focusing, as ever, on our manic solipsism and affectless self-regard; and in this novel in particular on our refusal to look death and ageing in the eye, and the materialistic tactics we use to distract ourselves from the void." --*The Guardian* (UK)

"Crisp and entertaining . . . this is a winning and funny book." --*The Washington Post*

"*Damned* combines elements of Judy Bloom's coming-of-age classic, *Are You There, God? It's Me, Margaret*, with Dante's *Divine Comedy*, with a heavy infusion of the 1980s classic *The Breakfast Club*." --*Wall Street Journal*

About the Author

CHUCK PALAHNIUK's twelve bestselling novels -- *Damned*, *Tell-All*, *Pygmy*, *Snuff*, *Rant*, *Haunted*, *Diary*, *Lullaby*, *Choke*, *Invisible Monsters*, *Survivor*, and *Fight Club* -- have sold more than five million copies in the United States. He is also the author of *Fugitives and Refugees*, published as part of the Crown Journey Series, and the nonfiction collection *Stranger Than Fiction*. He lives in the Pacific Northwest.

## Users Review

From reader reviews:

**Mohammed Thomas:**

The book untitled Doomed contain a lot of information on the idea. The writer explains your ex idea with easy technique. The language is very straightforward all the people, so do definitely not worry, you can easy to read this. The book was published by famous author. The author provides you in the new period of time of literary works. It is possible to read this book because you can read more your smart phone, or program, so you can read the book inside anywhere and anytime. In a situation you wish to purchase the e-book, you can open up their official web-site and order it. Have a nice go through.

**Carlton Solley:**

In this period of time globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The book that recommended for you is Doomed this book consist a lot of the information on the condition of this world now. This particular book was represented how do the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The actual writer made some investigation when he makes this book. That's why this book ideal all of you.

**Alberto Alvarez:**

Beside this specific Doomed in your phone, it might give you a way to get closer to the new knowledge or information. The information and the knowledge you are going to got here is fresh in the oven so don't always be worry if you feel like an outdated people live in narrow community. It is good thing to have Doomed because this book offers for your requirements readable information. Do you oftentimes have book but you seldom get what it's exactly about. Oh come on, that would not happen if you have this in the hand. The Enjoyable set up here cannot be questionable, such as treasuring beautiful island. Use you still want to miss the idea? Find this book and read it from now!

**Carl Terrell:**

Is it you actually who having spare time after that spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Doomed can be the response, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these ebooks have than the others?
