Keeping His Promise (Year of the Billionaire series Book 3) By K.C. Falls

Amazon Bestselling New Adult Romance

The conclusion of the sizzling "Year of the Billionaire"

Just carrying a million dollars around is exhausting. Paying my mother's ransom was a relief but I had too much time to think about Tristan on that ferry ride. He was more than I had dared hope for and less than I deserved.

I underestimated his power and didn't give him nearly enough credit for determination. He had me on his jet again, flying high and wanting him. Consequences be damned.

Who could be prepared for what he had to say? I wasn't going to hold him to the promise he intended to keep. When he opened the heavy door to his heart we both knew it would change what we had. Trouble is, I still didn't have a word for what it is we had.

Our bodies tended to do all the talking. Sometimes, it seemed to me there wasn't much left to say.

This final part of the Year of the Billionaire is meant to be read following part 1, "Knowing His Secret" and part 2 "Taking His Risk". Both are available on Amazon. Meant for mature readers, this book is five flames in heat and raw language.

Editorial Review

From the Author

As a big fan of Fifty Shades of Grey and Bared to You, Crossfire series, I thought perhaps I had something in me that was worth writing. E.L.James and Sylvia Day have done so much for the steamy romance genre and I do want to tip my hat to those authors. Fifty Shades of Grey and Bared to You have blazed a trail. Thank you, E.L. James and Sylvia Day from this author and all those who follow in your amazing footsteps.

About Keeping His Promise (Year of the Billionaire Part 3)

Places become characters in a way. As a reader, I like to get to know my setting as much as I do my characters. Having lived in both New York City and Chicago, I tried to bring these two giants into the story and help my readers make friends with them as they journey with Tristan and Raina.

I found the steamy scenes in part 3 more challenging to write. As the intensity of the relationship grows between the hero and heroine, their sexual relationship becomes so much more complex and meaningful-- just as it would with real people.

I hope you will all enjoy my trilogy as much as I have enjoyed writing it. Please stop by my blog and see what extras I'll be putting up. I especially want to share some pictures of some of the places mentioned in the book. Look for a new series soon! xoxo K.C.

About the Author

The 'C' in my name stands for Cheyenne. Although you wouldn't know it by looking at me, I have a great grandparent who was a member of that Native American Tribe. Her people once lived in the very southeastern corner of Montana where I now make my home. I didn't always live in such a wide open space, though. I grew up in New York City. Much as I love the city and admire what it takes to live there, I met a kindred spirit at Columbia University and together, we found away to take our lives from the Big Apple to the Big Sky. We haven't regretted a moment.

We've got a smallish ranch where we raise cattle and keep a menagerie of other animals, too. Once or twice a year, we hire a 'ranch sitter' and take an urban vacation somewhere hitting all the restaurants, plays, museums and musical performances we can squeeze in. Then it's back to the wide open.

A writer finds creativity flourishes in solitude. My fantasy world is full of characters and stories lined up and waiting for me to bring them to life. I hope you will enjoy reading them as much as I enjoy writing them.

Users Review

From reader reviews:

Zola Campbell:

The book Keeping His Promise (Year of the Billionaire series Book 3) can give more knowledge and also the precise product information about everything you want. So just why must we leave the best thing like a

book Keeping His Promise (Year of the Billionaire series Book 3)? Wide variety you have a different opinion about publication. But one aim that will book can give many info for us.
