### Rosemary Entwined By Bianca Sommerland

The only role of Rosemary's nest of men is to feed her insatiable hunger, but that's not what she wants for them. Or what they want from her. While Rosemary presses for them to live their own lives, they each find ways to steal into her heart. With the threat of her mother's nest hanging over them, Rosemary decides to surrender to the love they offer and focus on building their combined strength to stand against the inevitable attacks. When her control over her powers slips, another problem arises. The nest is incomplete. A prince must be chosen, and if he is not among her men, she'll be forced to let one of them go. She once feared her heart wasn't big enough to hold them all. Now she fears she's not strong enough to release even one. Even if it costs her her life. Includes Bonus Short Story "Rosemary & Mistletoe" After surviving a battle with her mother, Rosemary is excited about her nest's first Christmas together. She has grown to love all seven men, even more than she needs them to feed her hunger. When they surprise her with a trip, just her and her Prince, she refuses. But does she really want to fight against the seven men who know not only what her heart wants, but also what she needs?

### Editorial Review

#### About the Author

Bianca Sommerland was born and raised in Montreal, Quebec. When not reading neurotically or writing as though the fate of the world rests on her keyboard, she is either watching hockey or teaching her daughters the beauty of a classic, steel pony while reminiscing about her days in Auto Body Mechanics. Her time is balanced with utmost care between normal family life, and the internal paranormal realm where her characters reside. For the most part, she succeeds.
