The Complete Sherlock Holmes: All 56 Stories & 4 Novels (Global Classics)

By Arthur Conan Doyle

Housed in one superb volume, '**The Complete Sherlock Holmes**' includes every Sherlock Holmes tale penned by the great Arthur Conan Doyle. With a linked table of contents, you can click on each and every chapter, making for easy navigation through this mammoth omnibus.

Sherlock Holmes, the greatest fictional detective of the late 19th and early 20th centuries, was the creation of Scottish born author and physician Sir Arthur Conan Doyle. A brilliant London-based detective, Holmes is famous for his intellectual prowess, and is renowned for his skillful use of deductive reasoning and astute observation to solve difficult cases. He is arguably the most famous fictional detective ever created, and is one of the best known and most universally recognizable literary characters in any genre.

Conan Doyle wrote four novels and fifty-six short stories that featured Holmes.

ABOUT THE AUTHOR:

Arthur Conan Doyle was born the third of ten siblings on 22 May 1859 in Edinburgh, Scotland. His father, Charles Altamont Doyle, was born in England of Irish descent, and his mother, born Mary Foley, was Irish. They were married in 1855.

At the age of nine Conan Doyle was sent to the Roman Catholic Jesuit preparatory school, Hodder Place, Stonyhurst. He then went on to Stonyhurst College, leaving in 1875.

From 1876 to 1881 he studied medicine at the University of Edinburgh. This required that he provide periodic medical assistance in the towns of Aston (now a district of Birmingham) and Sheffield. While studying, Conan Doyle began writing short stories. His first published story appeared in 'Chambers's Edinburgh

Journal' before he was 20. Following his graduation, he was employed as a ship's doctor on the SS Mayumba during a voyage to the West African coast. He completed his doctorate on the subject of *tabes dorsalis* in 1885.

In 1885, Conan Doyle married Louisa Hawkins, known as 'Touie'. She suffered from tuberculosis and died on 4 July 1906. The following year he married Jean Elizabeth Leckie, whom he had first met and fallen in love with in 1897. Due to his sense of loyalty he had maintained a purely platonic relationship with Jean while his first wife was alive. Jean died in London on 27 June 1940.

Conan Doyle fathered five children. Two with his first wife—Mary Louise (28 January 1889 – 12 June 1976), and Arthur Alleyne Kingsley, known as Kingsley (15 November 1892 – 28 October 1918). With his second wife he had three children—Denis Percy Stewart (17 March 1909 – 9 March 1955), second husband in 1936 of Georgian Princess Nina Mdivani (circa 1910 – 19 February 1987; former sister-in-law of Barbara Hutton); Adrian Malcolm (19 November 1910–3 June 1970) and Jean Lena Annette (21 December 1912–18 November 1997).

Conan Doyle was found clutching his chest in the hall of Windlesham, his house in Crowborough, East Sussex, on 7 July 1930. He had died of a heart attack at age 71. His last words were directed toward his wife: "You are wonderful."

Editorial Review

Amazon.com Review

This volume, authorized by Sir Arthur Conan Doyle's estate, contains all 4 full-length novels and all 56 short stories featuring Sherlock Holmes. At over a thousand pages, the weighty tome is a perfect gift for budding amateur sleuths, and it is an ideal companion for a long stay on a desert island (or a leisurely trip through the English countryside). As the reader wades past the tense introductions of *A Study in Scarlet* and moves towards such classic tales as *The Hound of the Baskervilles*, "The Adventure of the Speckled Band," and "The Final Problem," she is sure to draw her own conclusions about Holmes's veiled past and his quirky relationship with his "Boswell," Watson. Doyle never revealed much about Holmes's early life, but the joy of reading the complete Holmes is assembling the trivia of each story into something like a portrait of the detective and his creator. By the end of the long journey through London and across Europe (with a long stopover at Reichenbach Falls), one is apt to have found a friend for life. --Patrick O'Kelley

From School Library Journal

Grade 7 Up-Four short stories of mystery and intrigue by Sir Arthur Conan Doyle are performed radio theater style by the St. Charles Players: "The Adventure of the Speckled Band," "The Adventure of the Dancing Men," "A Scandal in Bohemia," and "The Adventure of the Devil's Foot." The narration is acceptable, although some characters sound flat and their British accent is too obviously forced. However, this detracts little from the overall entertainment value of the stories. The overall aural quality could be improved; a slight hissing can be heard throughout the narration. Though at times Holmes comes across as haughty, listeners become caught up in learning how he ingeniously solves the cases using clues that Watson, the other investigators, and most listeners miss. Fine for individual or group listening, The Adventures of Sherlock Holmes could be used for entertainment or for a unit on the mystery genre in English classes. The lack of strong female characters in these stories may warrant including alternate classic mysteries with strong women, such as Simon Brett's Mrs. Pargeter, Agatha Christie's Miss Marple, Heron Carvic's Miss Seeton, or Dorothy Gilman's Mrs. Pollifax. A nice feature of this package is that each short story is completed with one cassette. Unless you have a great demand for classic mysteries, this audiobook is an additional purchase.

Review

"Prebble's performance is spot on; he ably and admirably assumes the tales' many voices and dialects." ---
