Thirsty City: Politics, Greed, and the Making of Atlanta's Water Crisis By Skye Borden

Explores the evolution of Atlanta's water system and charts the poor urban planning decisions that created the city's current water shortage.

Atlanta is running out of water and is in the midst of a water crisis. Its crumbling infrastructure spews toxic waste and raw sewage into neighboring streams. A tri-state water war between Alabama, Florida, and Georgia has been raging since 1990, with Atlanta caught in the middle; however, the city's problems have been more than a century in the making. In *Thirsty City*, Skye Borden tells the complete story of how Atlanta's water ran dry. Using detailed historical research, legal analysis, and personal accounts, she explores the evolution of Atlanta's water system as well as charts the poor urban planning decisions that led to the city's current woes. She also uncovers the loopholes in local, state, and federal environmental laws that have enabled urban planners to shirk responsibility for ongoing water quantity and quality problems. From the city's unfortunate location to its present-day debacle, *Thirsty City* is a fascinating and highly readable account that reveals how Atlanta's quest for water is riddled with shortsighted decisions, unchecked greed, political corruption, and racial animus.

"...[a] well-researched account." — *CHOICE*

"Instead of a date-filled, statistically laden work of history and law, Borden weaves a compelling story full of interesting asides and biographical anecdotes. I found the history fascinating. It represents a real contribution to the literature."
— William L. Andreen, University of Alabama School of Law

Users Review

From reader reviews:

Aaron Tyler:

Throughout other case, little individuals like to read book *Thirsty City: Politics, Greed, and the Making of Atlanta's Water Crisis*. You can choose the best book if you appreciate reading a book. As long as we know about how is important some sort of book *Thirsty City: Politics, Greed, and the Making of Atlanta's Water Crisis*. You can add information and of course you can around the world with a book. Absolutely right, due to the fact from book you can recognize everything! From your country right up until foreign or abroad you will find yourself known. About simple matter until wonderful thing you are able to know that. In this era, you can open a book or searching by internet system. It is called e-book. You need to use it when you feel weary to go to the library. Let's read.

Elmira McGraw:

Playing with family in a park, coming to see the sea world or hanging out with good friends is thing that usually you will have done when you have spare time, and then why you don't try thing that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love *Thirsty City: Politics, Greed, and the Making of Atlanta's Water Crisis*, you can enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't have it, oh come on its called reading friends.

Hollie Hoffman:

Is it you actually who having spare time after that spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This Thirsty City: Politics, Greed, and the Making of Atlanta's Water Crisis can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Dianne Haire:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is composed or printed or highlighted from each source in which filled update of news. On this modern era like at this point, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just searching for the Thirsty City: Politics, Greed, and the Making of Atlanta's Water Crisis when you required it?
