Victorian Carnality (4 Book Steamy Victorian Romance Collection) By Chastity Silver

Sex and power in Victorian times...

When you have the power of privilege behind you, there's very little an **innocent and virtuous** maiden can do to turn you down, even if they had the desire to do so.

And when the man trying to seduce you is also a **hot alpha**, it's even harder to resist.

Whether they're sexy and thin, or curvy and voluptuous, none of these girls are opposed to learning about **steamy sex** - at least not after a bit of prodding. And it's even better if **the fucking is hard, fast and without protection!**
