When God Speaks: How to Interpret Dreams, Visions, Signs and Wonders

By Chuck D. Pierce, Rebecca Wagner Sytsema

Hearing the voice of God is not as difficult as some might think. It may even happen without our realization. As God has spoken throughout the ages, He continues to speak today in many different ways, including through an impression in a person's spirit or through a passage of Scripture or via a prophetic dream. Since we were created to commune with God, He longs for us to draw near to Him so that we can know His heart and understand His will for our lives.
