"[Author] Epstein...delivers a relatively little known chapter in the ever-intriguing saga of celebrity romances."

—*Booklist*

"I started to read the few opening pages and couldn't stop...this book was written so differently. It really showed the people underneath the layer of the Hollywood lights that scrutinized them for much of their lives...it's almost three biographies in one book --Audrey Hepburn, Bill Holden and the behind the scenes look at Hollywood... The writing is wonderful, the people come to life off the pages..."
