### Distant Partner By Les Carter

'I'm always the one willing to go the extra mile for the sake of my marriage', 'His eyes glaze over when I try to talk intimately about things that matter.' Maybe you've heard these words from your spouse. Maybe you've said these words about your marriage. Distant Partner is a book for those who have a relationship with too much busyness and not enough personal sharing. You don't have to stay locked into this merry-go-round battle. Once you understand the dynamics between evasive husbands and emotionally eager wives, you can begin to take the initiative and move forward with healthy actions and choices.
