Hot Pursuit: A Hostile Operations Team Novel (Volume 1) By Lynn Raye Harris

First Book in the Hostile Operations Team Series by New York Times Bestselling Author

He took her innocence. He broke her heart. He's the only one who can save her life...

Ten years ago Army Captain Matt Girard did something he shouldn't. His best friend offered him her virginity--and he took it. Then he left town and he's never looked back. Until now.

Matt still makes Evie Baker's heart pound, but she wants nothing to do with him--especially since he's only home for a short visit. She's had enough of men who lie and promise things they don't deliver. But when her sister goes missing and her ex-boyfriend turns up dead, she's in desperate need of Matt's military black ops skills to save the day.

With time running out, Matt puts everything on the line--his career, his future, his heart. Even if it means sacrificing all he's worked for, he won't let Evie down this time. Because sometimes the reward is worth the price--especially when it's the one woman he's never been able to forget...

From the Author

This story is **Book One** in my *Hostile Operations Team* series! If you like hot military guys, lots of action and suspense, and a great love story, this is the story for you. I've also just released a novella in the series, called *Hot Mess* (Book 1.5). It can be read as a stand-alone story.

Why military guys? Because I grew up around them, married one of them, and traveled the world with him. I think military men and women are amazing. They are dedicated to serving their country and they deserve our utmost respect!

I love being able to write about the kind of men and women who would risk everything to protect those they love and defend their country while doing it! I hope you'll find this series every bit as heart-pounding and satisfying as I do.

Best wishes always,
Lynn Raye Harris
