### Hunger Aroused (Vampire Hunger) By Dee Carney

Jasmine is sick in bed when a sexy stranger breaks in and reveals she's suffering an irreversible case of vampirism. And because her turning wasn't approved by the Council, he must kill her once the transition is complete. In the meantime, the executioner offers to ease her torment with chocolate, hot peppers or sexual release. Fortunately for them both, Jasmine's kitchen is bare...Corin's honor demands he do his duty, but he cannot execute the lovely woman while any part of her humanity remains. He must also find—and kill—her sire. Jasmine denies ever having contact with a vampire, causing Corin to question the justice of his orders. Sensing his hesitation, the Council dispatches another executioner, forcing the pair to make a run for it. Every hour they spend together—every sensual encounter they share—finds them growing closer. Now Corin will have to choose: kill the woman he loves, or go against everything he believes to set her free. *Previously published*
