Interiors Atelier AM By Alexandra Misczynski, Michael Misczynski, Mayer Rus

Enter a world of interiors by Atelier AM, where classical proportions, varied finishes, and exquisite furnishings are masterfully combined, resulting in bold yet tranquil environments. A deft hand at creating interiors that mix materials, both rough-hewn and luxurious, antique and modern, marks the work of Alexandra and Michael Misczynski, the husband-and-wife team behind the Los Angeles-based firm Atelier AM. Only ten years after establishing their business, the couple has garnered a keen reputation for creating environments that are sensory experiences—visually sublime interiors enhanced with subtle, textural palettes. Seventeenth- and eighteenth-century furniture commingle with modernist pieces and ancient objects. Background colors and materials are muted and refined. Interiors Atelier AM showcases a selection of residences—each exhibiting the firm’s skill at mixing furniture and objects with backgrounds such as antique flooring and Venetian plaster, with bold and modern results. Their high-profile clients include Katie Holmes and Tom Cruise and the Michael Eisners. The photography of François Halard beautifully documents each project, educating and inspiring a new generation of interior designers and connoisseurs.
