### **Naked Heat (Nikki Heat)** By Richard Castle

In the sequel to the New York Times bestselling HEAT WAVE, Richard Castle's new thrilling mystery continues the story of NYPD Homicide Detective, Nikki Heat. Tough, sexy, professional, Nikki Heat carries a passion for justice as she leads one of New York City's top homicide squads. In what's sure to be another smash sensation by blockbuster author Richard Castle, readers will once again follow Nikki Heat and hotshot reporter Jameson Rook as they trade barbs and innuendos all while on the trail of a murderer!

For the hardcover publication of our second tie-in with the ABC television show, CASTLE, the show integrated the new book in the same way they did for HEAT WAVE, with mentions of the book beginning in episodes that aired in Spring 2010 and continuing into the new season beginning in Fall 2010.

### Editorial Review

From [Booklist](#)

Castle is the title of a television cop show in which a mystery novelist, Richard Castle, teams up with a female NYPD detective (under the pretense of conducting research). In the show, Castle writes novels about a female New York cop, Nikki Heat, who reluctantly pairs up with a writer, Jameson Rook, who's a fictionalized version of Castle himself. Got all that? Anyway, Naked Heat is the second Nikki Heat novel, credited, like the first (Heat Wave, 2009) to "Richard Castle." Leaving aside the fiction-within-another-fiction conceit, it's a pretty fair mystery. Heat and Rook are written in the familiar "contempt-breeds-familiarity" style: they start out antagonists and wind up partners (and more). We've seen them before, with other names in other stories, and we like them because they're comfortable. The story, which begins with a pair of murders that appear to be connected only by their MO, is slick and enjoyable without being too taxing on the reader's imagination. The book is exactly what it's supposed to be: an entertaining but undemanding mystery that should draw attention to the TV series from which it's spun off. HIGH-DEMAND BACKSTORY: The TV series Castle is a big hit, and many of its fans will be curious to read a "real" book by their favorite fictional mystery writer. --David Pitt

About the Author

**Richard Castle** is the bestselling author of the Nikki Heat and Derrick Storm bestsellers. He is played by actor Nathan Fillion.

Johnny Heller's rich, throaty voice, excellent timing, and fine acting are the perfect showcase for this latest Nikki Heat installment. Cassidy Towne, a hated New York gossip columnist, has been murdered. Heat, NYPD's top homicide detective, is hot on the trail of the killer. Jameson Rook, a charming and gorgeous writer, is hot for Nikki. Snappy dialogue, distinct characters--each perfectly and distinctly portrayed--plot twists, and a great story all combine to make this outstanding listening. Heller's ability to create the perfect voice for each character is not to be missed. This audiobook sizzles! A.C.P. © AudioFile 2010, Portland, Maine

### Users Review

**From reader reviews:**

**Christi Potter:**

Book is to be different per grade. Book for children until eventually adult are different content. As it is known to us that book is very important for us.
