#### About the Author

Magda Alexander loves piña coladas and walks in the rain. Okay, enough of that. Rewind.

Magda loves reading steamy romances which she's been doing since she was ten. Ummm, that's not quite true. Steamy romances did not exist when she was ten, and if they had, she's pretty sure her mother would not have allowed her to read them. She did read the hand-holding, longing-glances kind, along with her catechism, which got her into trouble more than once. Mother Superior was not amused.

As soon as sexy romances came into existence, thank you Rosemary Rogers, she's been lapping them up. So when it came time to write one, guess what she wrote. A no-brainer, right?

Magda, a lifelong learner, graduated from the University of Maryland where she majored in Business Administration (because her family had to eat) and minored in English (because she needed to dream). She's lived in Maryland most of her life and now resides close to the Catoclin Mountains in a city whose history dates back to colonial times.
