Editorial Review

About the Author

Mike Parise started surfing over 30 years ago. His first surf travel guide, THE SURFER'S GUIDE TO COSTA RICA has sold over 25,000 copies and is still considered the best of its kind. With Baja being right next door to his native California, it only made sense to follow up the Costa Rica guide with one like it for Baja. When not working on this labor of love, Mike does real work as an advertising executive in Los Angeles.
