#### About the Author

S. A. Hunt is a U.S. veteran with very little money and far too much free time, which is now spent telling lies about time-bending cowboys and brainwashing witches. He lives in a shack in the woods in Summerville, GA, where he writes books, drinks moonshine out of a clay jug, and plays music with spoons.

You might be able to pigeonhole him in the "fantasy" and "horror" genres, but really he just uses them as backdrops. His stories are mostly studies of the human condition and the power of love and friendship--and a character that's truly human can transcend the boundaries of its genre.

In high school he was named a "Mentor of Poetry, Prose, and Performance" by the National Creative Society and in 2014 he won Reddit.com/r/Fantasy's 2014 Self-Published Book of the Year.
