When Bad Churches Happen to Good Pastors: Why Pastors Leave and What You Can Do About It By David and Lisa Frisbie

Why do so many pastors leave ministry? The average pastor stays at a church for only three and a half years. Studies show a pastor's most effective ministry begins after five to seven years at a church. We have a disconnect. How can our churches grow when our leaders are leaving before their ministries can bear fruit? In *When Bad Churches Happen to Good Pastors*, David and Lisa Frisbie address these and other thought-provoking issues relating to clergy attrition, including: When one family controls the church, Handling conflict in a difficult pastoral assignment, Dealing with a church boss, Ministering to wounded pastors. Whether you're a church leader whose pastors are departing or a pastor who has moved from church to church, you'll discover insights to help you handle the situations when pastors leave ministry.
