**Acts of the Holy Ghost (Pentecostal Pioneers Book 5)** By Maria B. Woodworth-Etter

"I cannot let this opportunity go by without again bringing to the notice of my readers, 'Acts of the Holy Ghost,' or 'Life and Experiences of Mrs. M. B. Woodworth-Etter.' It is a book I value next to the Bible. In special seasons of waiting on God I have found it helpful to have the New Testament on one side of me and Mrs. Etter's book on the other; this latter is a present day record of 'the Acts' multiplied.

Mrs. Etter is a woman who has had a ministry of healing since 1885, her call as an evangelist being some years previous to this.

I venture to think that this ministry is unparalleled in the history of the Church, for which I give all the glory to the Lord Jesus Christ, as Mrs. Etter would, I know, wish me to do.

This ministry should be made known, for the glory of the Triune God and the good of believers." Rev. Stanley Smith - one of the famous "Cambridge Seven" and for many years a worker with "The China Inland Mission."

This huge book was published 4 years before 'Signs and Wonders' and was by far the most comprehensive volume of Maria Woodworth-Etter's volumes to date (1912). Of this work she said, 'We have listened to our friends, and to the voice of God, and now publish a large volume, giving a condensed account of all the past editions; together with many things that have never been written, nor given to the public, and which will be read with interest; also a number of new sermons.

This book will go forth in His name, accompanied with the Holy Ghost, to do more good than all the rest. So, dear reader, give ear to what you read, and hear what the Spirit says to you.

If you hear and obey, I will meet many of you in that Beautiful City. Though I never see your faces here, we will know each other there, and tell of His love together. M. B. WOODWORTH

First published 1912. 581 pages.
