Psychotherapy By Marie-Louise von Franz

In twelve essays—eight of which appear here in English for the first time—the internationally known analyst Marie-Louise von Franz explores important aspects of psychotherapy from a Jungian perspective. She draws on her many years of practical experience in psychotherapy, her intimate knowledge of Jung's methods and theories, and her wide-ranging interests in fields such as mythology, alchemy, science, and religion to illumine these varied topics:

- Projection
- Transference
- Dream interpretation
- Self-realization
- Group psychology
- Personality types
- Active imagination
- The therapeutic use of hallucinogenic drugs
- The choice of psychotherapy as a profession
- The role of religious experience in psychological healing

Editorial Review

About the Author

Marie-Louise von Franz (1915-1998) was the foremost student of C. G. Jung, with whom she worked closely from 1934 until his death in 1961. A founder of the C. G. Jung Institute of Zurich, she published widely on subjects including alchemy, dreams, fairy tales, personality types, and psychotherapy.

Users Review

From reader reviews:

Cary Burgess:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each guide has different aim or perhaps goal; it means that book has different type. Some people really feel enjoy to spend their time to read a book. They can be reading whatever they get because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, individual feel need book if they found difficult problem as well as exercise. Well, probably you should have this Psychotherapy.

Patrina Eaton:

This Psychotherapy are reliable for you who want to be considered a successful person, why. The key reason why of this Psychotherapy can be on the list of great books you must have is actually giving you more than just simple examining food but feed a person with information that maybe will shock your earlier knowledge. This book will be handy, you can bring it all over the place and whenever your conditions in e-book and printed versions. Beside that this Psychotherapy forcing you to have an enormous of experience like rich vocabulary, giving you trial of critical thinking that we understand it useful in your day exercise. So , let's have it and luxuriate in reading.

James Goodman:

Do you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Aim to pick one book that you never know the inside because don't judge book by its deal with may doesn't work at this point is difficult job because you are frightened that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer may be Psychotherapy why because the fantastic cover that make you consider concerning the content will not disappoint you actually. The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly assist you to pick up this book.

Earl Sanders:

What is your hobby? Have you heard that question when you got scholars? We believe that that concern was

given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as reading become their hobby. You need to know that reading is very important and also book as to be the matter. Book is important thing to include you knowledge, except your own teacher or lecturer. You get good news or update about something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is Psychotherapy.
