Editorial Review

Review

"The directions are thorough, and there are plenty of images to guide novices along the way. These items boast daring color and large focal embellishments and even the smaller pieces are attention getters; these aren't accessories to wear to blend in with the crowd. Jewelmakers interested in experimenting with soutache, as well as fans of statement jewelry, will be drawn to Papp's intricate designs." --*Library Journal*

"Whether you are a beginner or advanced level, you will find something to enjoy... This is a really comprehensive and beautiful book if you are interested in trying some Soutache for yourself." --*Bead Magazine*
