Editorial Review

About the Author

Hippocrates was a Greek physician and philosopher of the fifth and fourth century BC. Considered to be the father of ancient medicine and the philosophy of healing, Hippocrates gives his name to the Hippocratic Oath that physicians must swear upon before practicing medicine.

Conrad Fischer, MD, is Director of Educational Development for the Department of Medicine at Jamaica Hospital Medical Center in New York City. Jamaica Hospital is a robust window on the world of medicine. Dr. Fischer is also Chairman of Medicine for Kaplan Medical, teaching USMLE Steps 1, 2, and 3, Internal Medicine Board Review and Attending Recertification, and USMLE Step 1 Physiology. Dr. Fischer is Associate Professor of Physiology, Pharmacology, and Medicine at Touro College of Osteopathic Medicine in New York City.

Users Review

From reader reviews:

Kyle Coffman:

The book The Corpus: The Hippocratic Writings (Kaplan Classics of Medicine) can give more knowledge and information about everything you want. So why must we leave the best thing like a book The Corpus: The Hippocratic Writings (Kaplan Classics of Medicine)? A number of you have a different opinion about book. But one aim that will book can give many data for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or info that you take for that, you can give for each other; you can share all of these. Book The Corpus: The Hippocratic Writings (Kaplan Classics of Medicine) has simple shape however, you know: it has great and big function for you. You can appearance the enormous world by available and read a e-book. So it is very wonderful.

Nelson Wyatt:

Nowadays reading books become more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with education books but if you want truly feel happy read one having theme for entertaining such as comic or novel. Typically the The Corpus: The Hippocratic Writings (Kaplan Classics of Medicine) is kind of book which is giving the reader unstable experience.

Bettye Heinrich:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Many author can inspire their own reader with their

story or their experience. Not only the story that share in the guides. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this The Corpus: The Hippocratic Writings (Kaplan Classics of Medicine).

Claudia Butler:

Exactly why? Because this The Corpus: The Hippocratic Writings (Kaplan Classics of Medicine) is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book include such as help improving your proficiency and your critical thinking method. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.
