The Routledge Companion to Experimental Literature (Routledge Literature Companions) From Routledge

What is experimental literature? How has experimentation affected the course of literary history, and how is it shaping literary expression today? Literary experiment has always been diverse and challenging, but never more so than in our age of digital media and social networking, when the very category of the literary is coming under intense pressure. How will literature reconfigure itself in the future?

The Routledge Companion to Experimental Literature maps this expansive and multifaceted field, with essays on:

- the history of literary experiment from the beginning of the twentieth century to the present
- the impact of new media on literature, including multimodal literature, digital fiction and code poetry
- the development of experimental genres from graphic narratives and found poetry through to gaming and interactive fiction
- experimental movements from Futurism and Surrealism to Postmodernism, Avant-Pop and Flarf.

Shedding new light on often critically neglected terrain, the contributors introduce this vibrant area, define its current state, and offer exciting new perspectives on its future.

This volume is the ideal introduction for those approaching the study of experimental literature for the first time or looking to further their knowledge.

Editorial Review

Review

"The editors of *The Routledge Companion to Experimental Literature* have produced a marvellously wide-ranging, informative, lucid - and often highly original - discussion of experimental writing in the 20th and 21st centuries. From the historical avant-gardes to avant-pop, digital fiction and code poetry, this Companion will be an indispensable guide to new movements and to the intermedia post-generic verbal works that now people our literary landscape." *Marjorie Perloff, Stanford University, USA*

"Experimental, avant-garde, innovative.... the recent history of such terms has been confusing because they seem to blur into synonyms, to share family resemblances rather than strict definitions, and to indicate distinctly different things for different disciplines and genres. With a series of short accessible entries by the go-to authorities in a number of fields, this collection sketches the range of critical work performed by labels that have proven as necessary as they are elusive." *Craig Dworkin, The University of Utah, USA*

About the Author

Joe Bray is Senior Lecturer in English Language and Literature at the University of Sheffield, UK.

Alison Gibbons is Senior Lecturer in Stylistics, English Language and Literature at De Montfort University, Leicester, UK.

Brian McHale is Distinguished Arts and Humanities Professor of English at Ohio State University, USA.

Users Review

From reader reviews:

Ellen Jones:

What do you regarding book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do which. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this particular *The Routledge Companion to Experimental Literature (Routledge Literature Companions)* to read.

Oliver Crites:

People live in this new time of lifestyle always attempt to and must have the spare time or they will get great deal of stress from both everyday life and work. So , if we ask do people have spare time, we will say

absolutely of course. People is human not a robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, the particular book you have read is definitely The Routledge Companion to Experimental Literature (Routledge Literature Companions).

Patricia Ramirez:

Reading can called imagination hangout, why? Because if you are reading a book mainly book entitled The Routledge Companion to Experimental Literature (Routledge Literature Companions) your mind will drift away trough every dimension, wandering in each aspect that maybe mysterious for but surely can be your mind friends. Imaging every single word written in a book then become one application form conclusion and explanation this maybe you never get before. The The Routledge Companion to Experimental Literature (Routledge Literature Companions) giving you another experience more than blown away your brain but also giving you useful data for your better life in this era. So now let us explain to you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished examining it, like winning a game. Do you want to try this extraordinary spending spare time activity?

Adam Carter:

Are you kind of occupied person, only have 10 or maybe 15 minute in your day to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your short period of time to read it because this all time you only find guide that need more time to be go through. The Routledge Companion to Experimental Literature (Routledge Literature Companions) can be your answer since it can be read by you actually who have those short extra time problems.
