The Witches Tarot (Llewellyn's Modern Witchcraft Series) By Ellen Cannon Reed, Martin Cannon

The Ultimate Tarot Set for Witches Everywhere

If you are new to Paganism or the Tarot, this is the set for you! The art is amazing, brilliant and intense. It follows the form of a traditional Tarot and is able to blend the Qabalistic Tree of Life with Pagan symbolism. The High Priestess stands proudly in the Goddess pose and wears a garter showing that she is indeed a high priestess of many covens. The Devil loses its evil reputation and returns to his original form as he becomes "The Honed One," showing a couple staring in awe at the powerful and loving God crowned in the horns of a stag. The Minor Arcana is also fully illustrated, featuring strong characters in rural settings, evoking a feeling of Pagan spirituality.

Included in the box is a special layout sheet for doing the Four Seasons spread. This sheet isn't available anywhere else. It's beautiful and helps to make readings easy.

The box also includes a full-sized, 320-page book. It's the first book that explains the Tarot from both a Qabalistic and Wiccan point of view. Every card is thoroughly explained as is the way to read the cards using the layout sheet. It covers the symbolism of the cards, correspondences of the cards with letters, astrology, colors scents, gems, and Qabalistic paths, gives examples of how to use the cards when doing pathworkings, and sample readings and spreads.

No matter what type of Witchcraft, Wicca, or magick you practice, this is the set to have to have.

Editorial Review

About the Author

Ellen Cannon Reed, High Priestess of the Isian tradition, was a student and teacher of the Craft and Qabala for fifteen years. She and her husband (and High Priest), Chris, had been active in the Southern California pagan community for the last ten years. When she was not teaching, working with her coven or writing, Ellen enjoyed embroidery, beadwork, and reading. Ellen passed away in 2003.

Users Review

From reader reviews:

James Reed:

People live in this new morning of lifestyle always make an effort to and must have the extra time or they will get lots of stress from both way of life and work. So , if we ask do people have time, we will say absolutely yes. People is human not really a huge robot.
