There Is No "God-Given Right" To Worship False Gods By Scott Buss

From the back cover: Why are there mosques in America? Why are witches' covens allowed to openly operate in America? Why is Satanism "legally" protected in America? Why is "The Greater Church of Lucifer" allowed to open in America? DO AMERICANS HAVE A "GOD-GIVEN RIGHT" TO WORSHIP FALSE GODS...INCLUDING THE DEVIL HIMSELF? "The Is No God-Given Right To Worship False Gods" explores these vital questions and seeks biblical answers as to what true, life-giving religious liberty is...and what it is not. In a compilation of timely and provocative articles chronicling America's embrace of Islam, witchcraft and even Satanism in the name of "liberty", Christians are challenged to test all things - including their most cherished notions of freedom, liberty and patriotism - in light of Scripture, so that they might shake off and expose the propaganda and deception that has defined our age.
