Editorial Review

About the Author

Born and raised in the Northern Virginia, Kora Knight has always loved to read, but it wasn't until her preteen years that she discovered her deep-seated love for writing. With published literary teachers and play writers in the family DNA, it really shouldn't have been a surprise. It all started with her involvement in social book forums, then trying her hand in literary role-playing. Which, in turn, led to becoming a fervent online independent writer. Since then, she has endeavored to share with the world her impassioned stories of love, adventure, and sensual wonderment, her most recent delight being that of m/m erotica.
