Consider the Oyster By M. F. K. Fisher

M.F.K. Fisher, whom John Updike has called our "poet of the appetites," here pays tribute to that most delicate and enigmatic of foods--the oyster. As she tells of oysters found in stews, in soups, roasted, baked, fried, prepared à la Rockefeller or au naturel--and of the pearls sometimes found therein--Fisher describes her mother's joy at encountering oyster loaf in a girls' dorm in the 1890's, recalls her own initiation into the "strange cold succulence" of raw oysters as a young woman in Marseille and Dijon, and explores both the bivalve's famed aphrodisiac properties and its equally notorious gut-wrenching powers. Plumbing the "dreadful but exciting" life of the oyster, Fisher invites readers to share in the comforts and delights that this delicate edible evokes, and enchants us along the way with her characteristically wise and witty prose.

Editorial Review

Review

“Since Lewis Carroll no one had written charmingly about that indecisively sexed bivalve until Mrs. Fisher came along with her *Consider the Oyster*. Surely this will stand for some time as the most judicious treatment in English.” ?*Clifton Fadiman*

About the Author

M.F.K. Fisher (1908-1992) is the author of numerous books of essays and reminiscences, many of which have become American classics.

Users Review

From reader reviews:

Linda Livingston:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite publication and reading a publication. Beside you can solve your short lived problem; you can add your knowledge by the book entitled Consider the Oyster. Try to stumble through book Consider the Oyster as your pal. It means that it can being your friend when you feel alone and beside those of course make you smarter than ever before. Yeah, it is very fortunated for you personally. The book makes you a lot more confidence because you can know every thing by the book. So , let's make new experience and also knowledge with this book.

Rick Braden:

What do you think about book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Merely you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great along with important the book Consider the Oyster. All type of book would you see on many methods. You can look for the internet options or other social media.

Bess Cook:

Nowadays reading books become more than want or need but also become a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with training books but if you want really feel happy read one with theme for entertaining like comic or novel. The Consider the Oyster is kind of e-book which is giving the reader unforeseen experience.

Thomas Moss:

This Consider the Oyster is great reserve for you because the content which is full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great plan word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having Consider the Oyster in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen moment right but this guide already do that. So , it is good reading book. Hello Mr. and Mrs. hectic do you still doubt that?
