Dog on It: A Chet and Bernie Mystery (The Chet and Bernie Mystery Series) By Spencer Quinn

The first book of the *New York Times* bestselling Chet and Bernie mystery series, an “enchanting one-of-a-kind novel” (Stephen King) that is “nothing short of masterful” (*Los Angeles Times*).

Chet, the wise and lovable canine narrator of *Dog on It*, and Bernie, a down-on-his-luck private investigator, are quick to take a new case involving a frantic mother searching for her teenage daughter. This well-behaved and gifted student may or may not have been kidnapped, but she has definitely gotten mixed up with some very unsavory characters. With Chet’s highly trained nose leading the way, their hunt for clues takes them into the desert to biker bars and other exotic locales—until the bad guys try to turn the tables and the resourceful duo lands in the paws of peril. Spencer Quinn’s irresistible mystery kicks off a delightful new series that will have readers panting for more.

Editorial Review

From Publishers Weekly

Starred Review. Set in the Valley of an unnamed Western state, Quinn's winning debut introduces one smart canine detective and his partner, PI Bernie Little of the Little Detective Agency, who's pretty quick on the uptake himself. Chet, a lively mongrel with one white ear and one black ear, serves as the book's narrator, communicating with Bert via doggy methods that verge on the telepathic (I wagged my tail, that quick one-two wag meaning yes, not the over-the-top one that wags itself and can mean lots of things). Wealthy divorcée Cynthia Chambliss hires Bernie, a former cop, to find her missing 15-year-old daughter, Madison, whose father is a real estate developer who smells suspiciously of cat. (Chet's keen sense of smell comes in handy.) When Madison reappears and disappears again, her dad says she's just a runaway, though Bernie thinks otherwise. Chet must use all his superdog tricks to extricate Bernie from a mighty tight fix in a climax that fans of classic mysteries are sure to appreciate. (*Feb.*)

Starred Review An exciting new mystery series debuts with this first Chet and Bernie novel. Chet the Jet is a dog who failed K-9 school (cats in the open country played a role in his demise), but now he is a dedicated PI and works with Bernie, owner of the Little Detective Agency. The story is told entirely from Chet's point of view, which will delight dog-loving mystery readers, but the book is also an excellent PI tale, dogs aside, as Chet and Bernie investigate the disappearance of a teenage girl whose developer dad may be up to no good. Chet may not understand things like maps (he doesn't need them, as he can sniff his way home), but he is a great sleuth who finds the girl and solves the case. The always upbeat Chet may well be one of the most appealing new detectives on the block, but conscientious, kind, and environmentally aware Bernie is a close runner-up. Excellent and fully fleshed primary and secondary characters, a consistently doggy view of the world, and a sprightly pace make this a not-to-be-missed debut. Essential for all mystery collections and for dog lovers everywhere. --Jessica Moyer

Review

"Nothing short of masterful.... Sequels are a given, and a must." -- *Los Angeles Times*

"A winning debut...that fans of classic mysteries are sure to appreciate." -- *Publishers Weekly* (starred review)

"Stalwart, often mischevious narrator Chet's amusing, perceptive canine take on [the novel's] human characters should appeal to hard-boiled fans and canine fanciers alike." -- *Kirkus Reviews*

"[*Dog On It*] will delight dog-loving mystery readers, but the book is also an excellent PI tale, dogs aside....A great sleuth and always upbeat, Chet may well be one of the most appealing new detectives on the block, but Bernie us a close runner-up. Excellent and fully fleshed primary and secondary characters, a consistently doggy view of the world, and a sprightly pace make this a not-to-be-missed debut. Essential for all mystery collections and for dog lovers everywhere." -- *Booklist* (starred review)

"At last, a dog lover's mystery that portrays dogs as they really are....Quinn's characters are endearing, and his narrative is intriguing, fast-moving, and well written. Even cat lovers will find it entertaining. [*Dog On It*] is highly recommend." -- *Library Journal* (starred review)

"[*Dog On It*] features the most winning narrator I've come across in a long time...[and] manages to ratchet up some real suspense." -- *Christian Science Monitor*

"I'm not a dog fancier, but I had a great time reading this book....Chet is a hoot -- or should I say a howl." -- *Boston Globe*

Users Review

From reader reviews:

Albert Aucoin:

This *Dog on It: A Chet and Bernie Mystery* (The Chet and Bernie Mystery Series) book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is information inside this guide incredible fresh, you will get information which is getting deeper anyone read a lot of information you will get. That *Dog on It: A Chet and Bernie Mystery* (The Chet and Bernie Mystery Series) without we realize teach the one who reading it become critical in imagining and analyzing.
