Editorial Review

Amazon.com Review

Journey of Souls is a controversial yet inspiring investigation of the big question we all face at one point or another: "What happens after we die?" To find the answer, Newton opens cases from his private practice in which he hypnotically regressed his clients to a point between lives--after death, but before birth. Not only does Newton grapple with reincarnation, the spirit world, and the nature of the human soul, he also tackles equally sticky questions such as "Is there a Heaven and Hell?" and "What are ghosts?" Readers with a penchant for skepticism will balk at the lack of physical evidence to back up the claims in *Journey of Souls*, but the book remains a reassuring voice, affirming that our existence is not limited to the boundaries of our mortal flesh. --*Brian Patterson*

From the Publisher

Sooner or later, everyone wants to consider certain questions: Why am I here on Earth? Where will I go after death? What happens after I die?

Journey of Souls by Michael Newton, Ph.D., is the first book to answer all of these questions, including what happens to our souls as we await rebirth. No book or novel could be more startling and provocative than *Journey of Souls*. That's why over 165,000 people already have this book. You should get it, too.

What you will read in *Journey of Souls* will shake your preconceptions about death. Over the years, Dr. Newton, using a special hypnosis technique he developed, has taken hundreds of people into the spirit world. The 29 cases recounted here encompass the reports of the very religious, the spiritually noncommitted, and those in between. Surprisingly, they all displayed a remarkable consistency in the way they answered questions about the spirit world.

Perhaps, it is not surprising at all. It is simply the truth. You can take this truth to help you understand the purpose behind your life choices and learn why your soul and the souls of those you love live eternally.
